**Wine Description:** ElRoy Proprietor's Red is traditionally a blend based on Cabernet Sauvignon from Sonoma County's Alexander Valley. Sparked by the partners J2C3M, the 2006 vintage is enhanced with Cabernet Franc, Syrah, and Malbec grapes from three prominent vineyards in Alexander Valley, including Rezonja and Farrow Ranch. The wine was aged in both French and American oak barrels for a minimum of 12 months. ElRoy's unique blend of classic Bordeaux varieties is combined with traditional hillside-grown Rhone varieties to form a dark, rich wine with flavors of black currant, strawberry, and spice.
